

CSRA | 2026

SPONSORING THE CSRA WALK FOR WATER

Saturday, November 7, 2026 Evans Towne Center Park

WHY SPONSOR?

When you sponsor the Walk for Water, you're using your platform to transform lives around the world. You can inspire your neighbors to raise funds and awareness to fight the global water crisis.

Becoming a Walk sponsor is a great way to increase employee engagement and community goodwill. By creating a company Walk team and inviting others to join, you create connections and inspire people to come together for a good cause. Plus, your contribution is tax-deductible to the extent allowed by the law.

LOCAL IMPACT

The CSRA is uniting to bring safe water to hundreds of men, women and children across the world. Local schools, churches, businesses, and individuals are putting their feet into action by raising awareness, raising money, and walking for water.

The CSRA Walk for Water 2026 will bring together teams of participants from all walks of life, as we boldly battle the global water crisis which affects 2.2 billion people around the world.

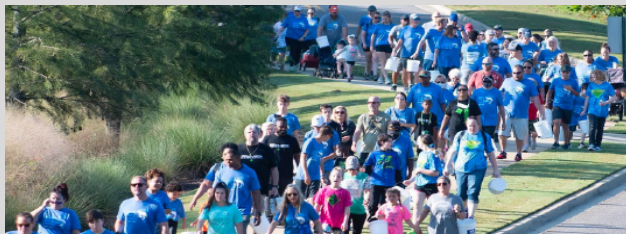

Worldwide, the lack of safe water and adequate sanitation is a CRISIS.

Why We Walk

In some areas where we work, women and children spend 2-3 hours walking to collect water every day. In most cases, the water source is between one to four miles from their home. To make matters worse, the water they collect is often not safe for drinking.

This is why we walk. We walk on behalf of those who walk every single day. We walk to raise awareness and shed light on the global water crisis. We walk to raise funds that support our ongoing efforts to transform lives through safe water solutions. We walk so that one day women and children will have safe water that is close to home.

**WE WALK,
SO OTHERS
DON'T HAVE
TO.**

Water Mission provides Comprehensive Solutions

SAFE WATER

To provide safe water, they customize solutions to fit each community's circumstances

SANITATION

To Provide customized sanitation solutions to the communities they serve

WASH

To promote healthy water, sanitation, and hygiene (WASH) behaviors in a variety of ways

COMMUNITY DEVELOPMENT

To provide solutions for those who live in communities around the world that lack safe water and sanitation

DISASTER RESPONSE

To provide solutions for those who are suffering as a result of a disaster or emergency situation

Water Mission is a Christian engineering nonprofit that builds sustainable safe water solutions for people in developing countries, refugee camps, and disaster areas. Since 2001, Water Mission has served more than 8 million people in 60 countries, sharing safe water and the message of God's love.
